Water District # 6 Residents Update

January 13, 2021

On December 14, 2020 the Town Board unanimously passed a resolution ordering the establishment of Water District No. 6 for a portion of the Town of Alexander.

The next step is to apply to the State Comptroller's Office for approval of that district. At this time our attorney is preparing the documents for that application.

Pending approval by the Comptroller our engineering firm will prepare bid documents for the project. Once the documents are prepared contractors will be notified and if they are interested they will bid on the construction of the water district which will include a timeframe for when the work will be completed. At the bid opening it will be determined whether or not to accept one of the bids that were submitted.

We will post updates on our Town website townofalexander.com so that you can follow the progress. If you don't have access to a computer you can call the Town Clerk, Shannon Tiede, at 585-591-2455 for updates.
